Have a picture to share? Mai tunjuklah.

That big slideshow you see in the homepage (Kampung) is your stage. You can help drive its content.

Carilah celah-celah kampung, a quirky corner of your neighborhood, interesting faces, maybe an event you witnessed. It could have been taken from a camera-phone, kita tak kisah. All we ask is that you help bring us all closer by sharing the breadth and *jiwa* that is Malaysia.

E-mail your shots to:

pic-editor(at)sayaanakbangsamalaysia.net.

It will help lots if you could also supply a simple caption either in Bahasa Malaysia or in English. Tak fasih tak 'pa. We will polish up the language. Kalau ada link ke website ataupun mana-mana jua photo account (Flickr, Picasaweb, Photoweb), hantarlah juga. All pictures used will be given due credits.

Come show off. We'll get to learn from you too.
