Some 'Kotor' Thoughts

At first it was a Christian plot!	
It did not stick	
Then it was a Hindu-Jewish plot!	
It did not stick	
Sorry, it was a Communist plot!	
It did not stick	

Very sorry-lah - it is a Foreign plot!	
It did not stick	
And, the People asked – What else?	
So in panic, "they" run to the Raja!	
The Nation waits with bated breath	
Will the "Walk for Democracy" become a stroll?

Or will it be the beginning of another "plot"?
