

IDEAS: The SekolahKita Website

Alongside the launch of IDEAS' latest policy paper report "Contextualising Education Policy for Orang Asli Children" by Wan Ya Shin and Dr. Rusalina Idrus, we present part 1 of our SekolahKita website in collaboration with The Fourth media!

Part 1 of the website includes an origin story on "Siapakah Orang Asli?" and all our reports and publications under the project. Stay tuned for part 2 which will feature the SekolahKita campaign coming soon in 2022!
