Pinky shares with us a picture of her wedding at Kampung Kuala Perlis. She writes: "In the photo, Nadia, my second photographer was helping me to tidy up my hair before the Chinese traditional wedding ceremony started. I love this photo a lot as it is so beautiful! This photo was taken by Nadia's husband, Fendi."

Yes Pinky, it's a pretty picture in more ways than one. Do send us more. Get Nadia and Fendi too. And congrats on your wedding!
