IN the wake of constant wails of tribal '*tuntutan*' and '*hak*', the release of gutter videotapes and the persistent drilling of mind-numbing spin by the mass media, how does one not become cynical?

Yet how does one remain cynical when he sees this?

Thank you

And of course, my advice was not as useful as I would have liked. I was shown the way by Azmi Shariff, and Malik

Thank you

Thank you to the organizers of the event and the volunteers who helped to make it a success. I was invited to take over the main program and I was able to do so. I was also able to take a video of the event and I was able to produce this clip of the event. Thank you, Sunny!
